

AR Meeting
September 13, 2011
Meeting called to order at: 4:19pm

Vanessa LaRue made a motion to approve the minutes from the Aug 2011 AR meeting. Kristie Moreno seconds the motion. The motion carries.

Vanessa LaRue made a motion to adopt the agenda for the 9/13/2011 AR Meeting. Shaun Creighton seconds the motion. The motion carries.

Correspondence- Introductions for our guests: Laurence from AXA, Erica and Kim from NEA Value builders and Shelby from California Causalities.

Treasure Report- Proposed budget was based on the current # of members X \$46.00 which are the CEA dues. We currently have 70% of our members that have “flipped”.

Committee Reports- There are various sign up sheets for committees. Any CEA member can sign up to help on committee. Contact Marisol Archie to see what committees there are and to add your name. The Teacher Evaluation Task Force will be coming to all campuses during the 2nd quarter to answer any questions regarding the new teacher evaluation instrument and process. The district website has a lot of valuable information regarding this as well.

Member to Member Grants- Visit the CEA website to get more information on this. On the website there is the rubric, application and important dates. All applications need to be submitted electronically. Grants will be issued at the November 29th CEA meeting. If you have any questions, contact Wendy Hawk. There have been a few slight changes, so please visit the CEA website.

Membership- Make sure that there is a place at your site where you can post information from CEA. Your bulletin board should be kept current and provide information that will keep your members informed and excited. Visit the CEA, AEA, and NEA websites for great information.

Social Networking Guidelines- There are CUSD guidelines and policies for Social Networking and have been for several years. Some things that you should never do **PER DISTRICT POLICY** is accept friendships between parents or student on Facebook or Twitter. Post pictures or have people post pictures that may put you in a questionable position. Some things to remember- you are a district employee and you are held to a high standard. You should only post what you want the world to see or read. If you have any questions about the Social Networking policy, please contact your administrator.
