

EDUCATIONAL SCHOLARSHIP FOR MEMBERS

The Chandler Education Association will be awarding five \$500.00 scholarships (a total of \$2,500.00 in scholarship money) to graduating seniors who will be attending any university or college and who has a family member (grandparent, aunt, uncle, mother or father) who is a CEA member.

Our Scholarship Committee will judge all applications. They will award one scholarship to a senior at each of the four Chandler High Schools (Chandler, Hamilton, Perry and Basha) along with one high school that is outside the Chandler district. Qualifications will include scholastic standing, character, community involvement, and financial need. Funds will be paid directly to the recipient once proof of university or college registration is provided, and may be used for payments of books, fees, etc. Scholarship funds are valid and available up to one year after receiving the award unless other arrangements have been made with the executive board of the Chandler Education Association.
